The Journal **TAMU** (Tinta Artikulasi Membina Ummah) is an internationally refereed online journal (eISSN 2289-960X) published by the PIMM Experts SDN BHD. The mission of TAMU is to encourage scholarly research in Islamic education. The Journal provides a unique peer-reviewed forum to postgraduate students, scholars, professors, and researchers in various topics within Islamic education. The Journal welcomes research papers as well as review articles and conference reports. TAMU will be published in June and December annually. TAMU will publish empirical and theoretical papers (e.g. a critical review of research). The Journal has an international advisory board. The international perspective is also reflected by the journal's quadrilingual approach: TAMU welcomes papers in English, Arabic, Malay and Indonesia.

Article Preparation:

All manuscripts and editorial communications should be sent to the journal's Chief Editor and manuscripts should not exceed 5000 words. Manuscripts should be single spaced using AGaramond LT font size 12. On the front page of the article is 200 words English abstract together with the name(s) of author(s) and affiliation as well as address and email for correspondence. References should be placed in alphabetical order at the end of the paper and should be in Roman script. The APA conventions should be observed.
